

PIM 69.1655
- . 21. July 1958

Note from OEG:

25X1A9a

"Bob - I question this as an
ORR responsibility -- The
'Mr. Antarctica' nomer for
[REDACTED] was because of his
original interest in
gravimetric work thereabouts
re geodetic problems. OSI
was assigned responsibility
for keeping CIA and the DCI
advised on intelligence
aspects of the IGY Program.
OEG .

See me.
